Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Saturday 30 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cold and mostly dry on Sunday.

This Evening and Tonight:
The mainland and the Western Isles will be dry clear and frosty, with very severe frost likely over snow-covered parts of the north. Wintry showers across the north and east this evening becoming confined to the Northern Isles.

Sunday:
Further snow showers over Shetland could give moderate falls. A few wintry showers over northern coasts but most again dry sunny and very cold.

Outlook for Monday to Wednesday:
Clear or sunny spells and a few wintry showers on Monday. Rain, sleet and snow in south and east on Tuesday and Wednesday, with heavy snowfalls possible on hills.
